

PRESIDENT'S DESK

We have already crossed six months of 2023- winter, spring and summer.

I am happy to inform that our latest initiatives to address the atrocities of Tribal in Araku Valley are going strong. An eye opening experiences while supporting the tribal children, women and community members is a question mark on our development .

it makes proud to all tha Aarohan team that six of our student under the project "The Centre for Excellence" Greater Noida, Uttar Pradesh has obtained top three positions in board examinations of class X and XII girls and women from village Sakipur are empowered with vocational skill training.

Ms. Dipika Thankur, Aarohan's Board Member representing Transgender community has been awarded with "Rastriya Manav Gaurav Award-2023".

The children at Aarohan across all the centers celebrated "World Environment Day" with gaiety and enthusiasm. We believe children should be taught about the importance of environment and ecology from an early age.

I am glad to inform that sixty boys and girls have completed 6 months computer training program successfully.

We are looking forward to achieve more and reach out to more at our different interventions in coming six months.

AAROHAN SUMMER CAMP- FUN AND FROLICS

VISIT US ON

Aarohan @ Allurisitaramaraju District

Another year have passed and we are continuing our work to open-up avenue for better tomorrows with the vulnerable Section of our Society. Apart from our regular work in the field of education, health and nutrition, women empowerment and helping transgender at our interventions, we have learnt training teacher for upgrading school education, collaborating with medical practitoners to provide healthcare and exploring ways to empower women for ensuring income source with dignity. I take the pride saying that Aarohan is reaching out in remote areas with success. With the support IRCTC, We have opened two digital Pathshala and providing training to 40 teachers selected by district Administrator. Further in partnership with BHARAT FIH, dynamic changes could be witnessed in primary school of Anantgiri and Tokuru Panchayat of ASR district of Andhra Pradesh by providing support with Education ,Nutrition ,Health and livelihood programs, and more to follow soon. This is also the time to express our heartfelt gratitude to our donors, partners, well-wishers and volunteers for being our partners in progress. Together we have positively impacted lives of many marginalize children and their community. But, a lot more to be done. We look forward to your continued association.

Dear donors, project partner, supporters and volunteers, At the onset, I take this opportunity to thank you all on behalf of Aarohan family for providing invaluable support in our endeavors. You have helped us in bring about positive changes and overcome everyday challenges faced by underprivileged children and marginalized communities through our intervention in the field of education, vocational training, nutrition, health services in Delhi, U.P, Haryana, Odisha, and Andhra Pradesh. One of our focus areas is to provide basic education to tribal and ethnic minority community of children at A.S. District, Andhra Pradesh. This is one of the most backward remote district. Where poverty, illiteracy and access to basic amenities such as medical facilities, hygienic living, safe drinking water, accessibility to the nearest town are survival issues. Education, which is the basic route to progress is the most neglected field. Whatever semblance of school are there, lack even the essential infrastructure and minimum amenities like mats to sit, black boards, lights, hygienic surroundings, safe drinking water and toilets, unavailable list also contains train teachers!

You can help us in several ways in making this daunting task possible. It may be pointed out that the above estimation is done by the Govt. Contractor, PWD your contribution will go directly toward renovation and refurnishing of the schools. District Magistrate and Aarohan will acknowledge your laudable contribution by a certificate for recognition of your philanthropic endeavor, the school will be branded with your name.

Needless to say (all donations will be liable under the Income Tax Act 1860. (80G)

We look forward to your association and contribution for giving Aarohan children an opportunity to come up in life with dignity and fulfill their dreams.

SUPPORT US

We thank all Donors, Supporters, Friends, Well Wishers and appeal to you for your continuous support
